## **Thaddaeus HVAC/R & Plumbing Hub (THPH)**

**Connecting Homeowners & Businesses with Certified HVAC & Plumbing Experts**

### **ABOUT US**

---

THPH (Thaddaeus HVAC/R & Plumbing Hub) started as a heat pump supplier and quickly evolved into a full-service platform addressing the growing need for skilled HVAC and plumbing professionals in the UK. Recognizing the challenges homeowners, businesses, and contractors face, we built THPH as a trusted hub for seamless service connections.

### **OUR MISSION**

To bridge the gap between customers and certified HVAC & plumbing professionals by providing a streamlined, transparent, and efficient service platform. We empower skilled contractors with direct job opportunities while ensuring customers receive high-quality, reliable service.

## INTRODUCING NEXUS – THE FUTURE OF HVAC & PLUMBING SERVICES

Nexus is our next step in revolutionizing the industry—an innovative, zero-commission task-based marketplace where homeowners and businesses can post jobs, and contractors can send offers. By eliminating middlemen, we ensure fair pricing, encourage quality work over undercutting, and help professionals earn what they deserve.

### WHY CHOOSE NEXUS?

**For Homeowners & Businesses:** Instant access to certified HVAC/R and plumbing professionals for installations, repairs, maintenance, and emergency services.

**For Contractors:** A steady stream of work without chasing leads—no commission fees, just direct job opportunities.

**Fair & Transparent Pricing:** No price wars or unnecessary fees—only skilled professionals delivering high-quality work.

**Reliable & Efficient Service:** Whether it's a simple repair or a large commercial installation, THPH ensures a smooth, hassle-free process.
